Proceedings of the Madras Government, Revenue Department, 11*th June* 1872.

No. 123. Read the following Proceedings of the Board of Revenue, dated 30th May 1872, Miscellaneous No. 3,861 :—

Read the following letter from the Acting Sub-Collector in charge of South Arcot, to the Secretary to the Board of Revenue, dated Porto Novo, 4th May 1872, No. 135.

I HAVE the honour to forward, for favourable consideration, an application from Savariroya Pillai for exemption from the Special Test Examination prescribed for Superintendents of Land Customs.

2. When he was reinstated, after removal from the service under the 55 years rule, in accordance with Government Order, No. 1,719, of 2nd October 1871, he reverted to his former substantive appointment of Superintendent of Tooknambakum, with a salary of Rs. 30, but without joining at Tooknambakum he took up the acting appointment of Superintendent of Madalapet, the salary of which office is Rs. 100 a month.

3. Since last September, Savariroya Pillai has worked energetically at Madalapet, with most satisfactory results; a Statement is enclosed, showing the collections for the last eight months and for the corresponding eight months in the previous year.

4. Gholam Khadir, the confirmed Superintendent of Madalapet, has been acting as Sub-Magistrate of Trivady, and has drawn the full pay of Rs. 100, a month, the pay of the appointment in which he is acting; [illegible] more than Rs. 70 a month, there would then be Rs. 30, a month, available for Savariroya Pillai in addition to his substantive pay, if he were exempted from an examination which he can hardly be expected to pass at his age.

5. I beg to recommend his exemption, with retrospective effect from last September; he has worked well and hard, and I think he deserves more pay.

SUBMITTED for the favourable consideration of Government.

No. 124. ORDER THEREON, 11th June 1872, No. 920.

Miscellaneous.

THE exemption is sanctioned, but the Government do not consider that it can be allowed such retrospective effect as would entail retrenchment of pay received by the permanent incumbent. The circumstances under which the latter has been appointed to act in a post of less pay than his substantive appointment should be explained.

Proceedings of the Madras Government, Revenue Department,
11th June 1872.

No. 125. Read the following Proceedings of the Board of Revenue, dated 31st May 1872, Miscellaneous No. 3,903 :—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 17th May 1872, No. 592.

I BELIEVE Her Majesty's servants are prohibited from receiving distinctions from foreign Courts without previous sanction. I do not know whether the prohibition extends to foreign Societies; but as the case in point relates to an Official report of mine, I have the honour to inquire if there is any objection to my receiving the honour of a medal of the first class, which, the enclosed letter informs me, has been awarded to me by the Acclimatization Society of Paris.

2. I should explain that I have not in any way sought this myself, considering my official reports strictly the property of my official superiors, but the Government put my first report on the Editor's table, from whence, I know not how, it found its way into some English papers, in which it seems to have attracted the attention of the Secretary to the Acclimatization Society of Paris; for that gentleman did me the honour to ask, by anticipation, for a copy of my then unwritten report on Pisciculture in South Canara, which, under the Board's permission,* I supplied from England. It is that report, therefore, I presume, that has brought me the letter, of which I enclose a copy

SUBMITTED for the orders of Government.

No. 126. ORDER THEREON, 11th June 1872, No. 921.

Miscellaneous.

THE Government learn with pleasure that Mr. Thomas has been awarded this distinction, and readily sanction its acceptance.
