No. 145. Read the following Proceedings of the Board of Revenue, dated 30th May 1872, No. 863 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to the Secretary to the Board of Revenue, dated 15th April 1872, No. 86.

With reference to the Board's Miscellaneous No. 1,209 of the 19th February last, I have the honour to enclose a copy of the letter I addressed the Collector of South Arcot, and his reply thereto, relative to the arrangements that should be made for settling the boundary of the Jadaya Gounden Nád, under Act XXVIII. of 1860. I quite agree with Mr. Garstin.

2. In the event of the matter being referred for arbitration my Head Assistant at Tripatore will be appointed to represent the Government interests.

3. I presume that the Board will issue the necessary instructions to the Settlement Department, with a view to the Deputy-Director at Salem being appointed specially to dispose of the question. I have already ascertained from Mr. Banbury that he consents to this.

Enclosure No. 1.—Correspondence.

The Board resolve to request Government to authorize the Collectors of Salem and South Arcot to issue notices to the Poligars in the sense which they propose, and to act on behalf of Government in ascertaining and demarcating the disputed boundaries.

No. 146. Order thereon, 12th June 1872, No. 930.

Miscellaneous.

The Government authorize the Collectors of Salem and South Arcot to proceed, as proposed, for the settlement of the boundary-disputes in question under Act XXVIII. of 1860. Section 10 (and not 22 as quoted by Mr. Longley) of the Act would seem to be applicable.
