Kings House

30th September 1841

My Lord,

In reply to your Despatch
No. 165, of the 27th April last,
requesting that boxes of the seeds
of the Green-heart and Labica
trees should be sent to the Secretary
to Government, Madras, I have
the honor to inform your
Lordship that the Botanical
Gardener here, to whom the
extract of the letter from the
Superintendent, Royal Botanical
Gardens Calcutta, which accompanied
your Despatch was referred, has
reported that the Green heart

a native of Demerara, and
that the only tree in Jamaica is
without seeds and without
indication of seeding. The Labica
tree is only known to exist in the
Island of Cuba.

2. I have accordingly addressed
a letter to the Governor of Demerara,
asking His Excellency to be so
good as to cause to be procured
and forwarded to me, a supply
of the Green heart seeds for
cultivation here, and for
transmission to India; and
I have addressed a similar
letter to Her Britannic Majesty's
Consul at the Havanna, applying
for seeds of the Labica.

3. Should boxes of the seeds
be received here, your Lordship
may rely upon my forwarding
a supply to India as
desired.
