No. 173. Read the following letter from the Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 4th June 1872, No. 128:—

With reference to order No. 2,106, dated 14th December 1871, I have the honour to submit that Mr. Lee-Warner should pay over to Government twenty per cent. of his gross salary under Sections 34 and 35 of the Civil Pension Code. As no precisely similar case is known to have occurred since 14th October 1871, on which date this Rule took effect, I think it advisable to bring the matter to the notice of Government before writing to the Collector or to Mr. Lee-Warner.

2. I may mention that Mr. Lee-Warner's pay is not now audited by me, but is apparently open to the review of the Collector under Section 30 of Act II. of 1864.

No. 174. Order thereon, 13th June 1872, No. 939.

Miscellaneous.

Mr. Lee-Warner is in charge of an attached estate on account of Government. The addition to the ordinary establishment of the district is part of the costs of management which are chargeable against the estate. The Rule referred to by the Acting Accountant-General is clearly not applicable to the case.
