Proceedings of the Madras Government, Revenue Department,
18th June 1872.

No. 183. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 11th June 1872, No. 1,300:—

I HAVE the honour to request the sanction of Government for taking three months' privilege leave to sea and Australia, dating from [illegible] of departure. I apply for the same under medical advice, as I am suffering from a violent malaria-poison contracted in our forests, which quite unfits me for work or travelling. I am sorry to have to quit my post just at the re-organization, but it is absolutely necessary. I have taken no leave for ten years.

P.S.—I do hereby certify that it is not my intention to take any other leave within six months from the date of expiry of the three months' leave applied for.

No. 184. ORDER THEREON, 18th June 1872, No. 944.
