Revenue Department
Bombay Castle 28th March 1872.

To,

The Secretary to the
Government of Madras

Sir,

I am directed to acknowledge the receipt of your letter No 145 dated 24th January last, together with copy of the proceedings of the Government of Madras relative to a claim preferred by Nowrowjee Hormusjee, a Contractor for the supply of salt to Malabar to remission of duty on account of wastage.

2. In reply I am directed to state that in the present instance the decision of the Madras Government seems to have been justified by the circumstances and will be adopted by this Government and given effect to in supersession of the order formerly passed in this particular case.

3 I am, however, directed to remark that as the duty belongs to the Bombay Government, the ultimate decision of any

case of refund must also belong to it,
and that consequently to avoid any
conflict of authority, it would seem
more proper that, in future, the conclusions
of the Madras Government, in similar cases,
should be forwarded to this Government in
the shape of a recommendation, and not
in the form of an independent decision
to be carried out by it.

I have the honor to be
Sir
Your most obedient Servant
