PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 18 August 1872.

Read the following

No. 1866.

From,

G. D. Leman Esq.
Ag. Collector of the
Kistna District.

To,

J. Grose Esq.
Secretary to the Board of Revenue,
Madras.

SIR,

Herewith returned

With reference to Board's endorsement dated 15th June 1872, on Petition no 1102, presented by A. Lakshminah and Subbiah, Inamdars of the Village of Karamcheidu in the Taluk of Bapatla, and forwarded here by the Collector of Kallur, I have the honor to submit the following report.

2. The original extent of the Petitioner's Inam was acres 9.47 of which acres 2.33, apportioned at Rs 3-7-9, were taken for irrigation channels in A.D. 1864.

3. In their order dated 26th January 1871, No 179, Government sanctioned a fresh grant of land of acres 2.33 - together with money compensation of Rs

Rs 20-14-6 for loss of produce up to
 Friday 1279
 AD 1869

4. The petitioners refused this compensation, and claimed a fresh grant of land to the entire extent of their Inam, which they said had become unfit for cultivation from "Chavudis" and the flooding of the newly made channel.

Extent taken for Channel --	2.33
Land impregnated with saline matter by the percolation of the channel.	4.32

5. On the 24th September 1868, the Assistant Engineer of the Bapatla Range gave a certificate to the petitioners that their land was unfit for cultivation.

Land swamped by channel water --	2.82
	<u>9.47</u>

6. The Tahsildar of Bapatla Taluk, then examined it, and gave a similar report about it.

7. The petitioners propose that instead of a fresh grant of acres 9.47 they may be assigned the puttah land of Jagarlamudi Chinna Virannah, who has agreed to relinquish it.

8. The extent of this ryots holding is acres 7.28 assessed at Rs 14-7 while the assessment on acres 9.47

of Inam is Rs 14-4. The difference is 3 Annas, which, the petitioners request, may be added to their quit rent Rs 1-12. --

9. The claim of the petitioners is fair, and I would recommend that the arrangement proposed be carried out. --

Submitted to Government.

2. The Board request sanction for the apportionment of 7.28 acres, assessed at Rs 14-7, on a quit rent of Rs 1-15, in lieu of 9.47 acres which are assessed at Rs 14-4 and chargeable with Rs 1-12 quit rent, and which have become uncultivable owing to the construction of a channel.

3. A fresh grant in lieu of the land actually taken up for the Channel was sanctioned in Government Order 26-January 1871, No 179. --
