*Proceedings of the Madras Government, Revenue Department,
24th June 1872.*

No. 244. Read the following Proceedings of the Board of Revenue, dated 11th June 1872, Miscellaneous No. 4,114:—

Read letters from the Collector of Salem, dated 9th April 1872, No. 80, and 30th May 1872, No. 131, forwarding Title-deeds for the seal of Government.

The two Deeds and Plans, in duplicate, originally forwarded with the first of the foregoing letters are herewith submitted for the seal of Government.

2. As will be seen the Deeds were returned for correction,

No. 245. ORDER THEREON, 24th June 1872, No. 976.

Land Revenue.

ORDERED that the two Deeds, received with the foregoing Proceedings, be sealed and returned.

2. The Deeds should be docketted.

3. In both the documents the date of the Shervaroy Hills Waste Land Rules is incorrectly printed in the 6th line of the first page as 6th March 1863, No. 478A, instead of 9th March 1863, No. 488A. This error should be corrected in these Deeds and in all the blank forms in the Collector's office; that officer's initials being attached to the alteration in each instance.

4. The word *at* in the clause beginning with the words "Signed, Sealed, etc.," which has been improperly erased, should be re-inserted, and the place of execution entered after it.

5. In the original of Deed No. 2, first page, the word *to* has not been entered after the word "Agent" in the 22nd line; and in the Plan attached to that document the number is not given in figures. These omissions should be supplied under the Collector's initials.

6. The Collector's initials should also be affixed to *all* erasures in the Deeds and Plans. This, it is observed, has not been done in some instances.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Board of Revenue, with two Deeds in duplicate.
