Read the following letter from the Acting Superintendent of Stamps, to the Secretary to the Board of Revenue, dated Madras, 5th June 1872, No. 841.

WITH reference to the Board's Proceedings dated 16th February last, Miscellaneous No. 1,143, I beg to report that one of the Pressmen (salary Rs. 7 per mensem) of the temporary establishment attached to this office has been dispensed with from 23rd February, and it appears to me that a further reduction may be made in that establishment, from 1st July 1872, of—

making, with the Pressman already dispensed with, a total reduction of Rs. 31 per mensem.

2. With regard to the remainder of the temporary establishment I beg to mention that, although the adhesive Court Fees Stamps have been introduced, the full quantity indented for has not yet been received, nor, of one value, namely, 8 Annas, for which there is the largest demand, a sufficient supply to meet in full all the indents which have been received from the districts. The impressing of Court Fees Stamps for the districts has, therefore, not ceased, although it is almost confined to one value, namely, 8 Annas. Moreover, as the supersession
