

*Proceedings of the Madras Government, Revenue Department,
16th January 1872.*

Read the following:—

No. 190. Proceedings of the Board of Revenue, dated 17th November 1871,
No. 4,766.

Read the following letter from the Deputy Master Attendant in charge, Administrative Department, to the Acting Secretary to the Board of Revenue, dated Madras, 24th October 1871, No. 6,091.

I HAVE the honour to forward correspondence noted per margin, regarding the guard boat *Edith* at present attached to the Pearl Fishery Establishment, but which, both the Collector of Madura and the Master Attendant, Paumben, are of opinion, could be utilized with advantage in the district for both Marine and Revenue services, and she could be placed under charge of the Master Attendant, who states that he could ensure her being kept in a clean and sea-worthy condition by the establishment over which he presides, without incurring any additional expenditure.

From the Acting Collector of Madura, to the Master Attendant, Madras, dated 10th October 1871, No. 1,847.
From the Master Attendant, Paumben, to the Officiating Collector, Madura, No. 57, dated 6th October 1871.
(to be returned.)

2. If the *Edith* can be spared I beg to recommend the proposal for sanction, it being understood, however, that the boat is simply "transferred for other service," without charge to Marine accounts.

ENCLOSURE No. 1.—Correspondence.

REFERRED to the Collector of Tinnevely for his remarks. It is observed that the *Edith* was retransferred to Tuticorin in 1870 at the urgent request of the Superintendent of Pearl Banks, who complained of the way she had been neglected at Paumben.

No. 191. Proceedings of the Board of Revenue, dated 18th December 1871,
No. 5,071.

Read the following letter from the Collector of Tinnevely, to the Acting Secretary to the Board of Revenue, dated Puraur, 29th November 1871, No. 506.

IN reply to the Board's Proceedings (herewith returned) No. 4,766, dated 17th instant, I have the honour to inform you that I lately ascertained from the Master Attendant at Tuticorin that he had no objection to lend the guard boat *Edith* to the Master Attendant at Paumben, who has a boat's crew, and is well able to look after the *Edith*.

2. The *Margaret Northcote* and *Pearl* are sufficient for our present requirements, and during the examination of the banks by a European diver we could recall the *Edith* if necessary.

ENCLOSURE No. 1.—Correspondence.
