*Proceedings of the Madras Government, Revenue Department,
7th August 1872.*

No. 53. Read the following Proceedings of the Board of Revenue, dated 17th July 1872, No. 1,346 :—

Read the following letter from G. D. LEMAN, Esq., Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 24th June 1872, No. 1,737 :—

WITH reference to Board's Proceedings dated 20th April 1871, No. 1,635, I have the honour to submit the following report regarding an Inam land in Munagala Zemindari of this district, which has been finally resumed and incorporated with "Ain" owing to the Inamdars having failed to appear before the officers of the Inam Commission for the purpose of enfranchisement.

Dry ... Acres 21-22 2. The Inam belonged to Chillakamury Vera-
Wet ... ,, 23-32 daya and seven others, and its extent is Acres 44-54,

Total ... Acres 44-54 situated in six villages of this Zemindari.

3. The following table shows the extent of Inam in each village and the assessment thereof :—

4. I have asked the Zemindar of Munagala whether he is willing to take this Inam land on the same conditions as those on which the permanent peishcush was fixed on his estate, and he has consented to do so, but has refused any other terms.

5. The estate was valued by the Circuit Committee at Star Pagodas 3,856*

* Rupees 13,496. after deducting Sayer†, one-third of which, Pagodas
† Pagodas 433. 1,285,‡ was fixed as the permanent peishcush, leaving
‡ Rupees 4,497-8-0. the remaining two-thirds§ to the Zemindars.—*Vide*
§ Pagodas 2,541. paragraphs 67, 68, and 69 of the report from the

Special Commission, dated 27th September 1802.

6. I request the sanction of the Board to make over to the Zemindar the Inam in question, fixing the Government demand on the above principles at one-third, which is Rupees 26-14-8, leaving the Zemindar's balance, Rupees 53-13-4. This arrangement, the Board will not fail to see, is not in accordance with the G. O., 24th March 1871, No. 543, where two-thirds to Government and one-third to the Zemindar are laid down to be the rule for guidance in these matters; but

*Proceedings of the Madras Government, Revenue Department,

inasmuch as the original settlement was made on the principles recorded already in my letter, and that the Zemindar declines to take it on any other terms, it seemed to me to be best to propose continuing it as I have done.

7. Should the Board consider that the Government Order is to be carried out, the only course left is to sell the Inam.

SUBMITTED for the orders of Government.

2. In G. O., 24th March 1871, No. 543, circulated with Board's Proceedings No. 1,635, dated 20th April 1871, Collectors were informed that resumed Inams in Zemindaris and Polliems might be given over to the Zemindars on condition of an addition of 70 per cent. of the assessment of the lands to their peishcush.

3. The Collector of Kistna reports on a resumed Inam assessed at Rupees 80-12-0, within the limits of the Munagala Zemindari. He says the Zemindar will take it at the same rate as that at which his peishcush was fixed, viz., at *one-third* of the assessment, but will give no more.

4. The Munagala Zemindari is an isolated tract in the Nizam's country, and at the time of the permanent settlement was subject to "inroads of banditti;" the settlement was, therefore, made on exceptionally easy terms.

5. The inroads of banditti have ceased, but no doubt even now there are difficulties attending the collection of revenue which do not exist elsewhere; and rather than burden the nearest Revenue authority, the Deputy-Tahsildar of Juggiahpet, with the duty of collecting so small a sum from six different villages, the Board resolve to recommend that the Zemindar's offer, illiberal though it be, be accepted.
