*Proceedings of the Madras Government, Revenue Department, 26th October 1872.*

1/a

No. 253. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, dated Chepauk, 5th October 1872, No. 2,114-57 :—

With reference to paragraph 4 of letter No. 316, dated 29th May 1871, from the Acting Resident in Travancore and Cochin, printed in G. O. No. 1,123 of the 29th June 1871, I have the honour to request I may be informed whether the boundary between the Tinnevelly District and the Travancore Territory, north of the Mahendrigiri mountain, has been decided on, and if so, that I may be favoured with a copy of the instructions issued by Government to the Settlement Officer of the Tinnevelly District.

---

No. 254. Order thereon, 26th October 1872, No. 1,491.

Miscellaneous.

The Governor in Council observes that the acceptance by the Travancore Sirkar (as notified by the Resident in his letter of 29th May 1871) of the water-shed on the ghaut range as the boundary between Travancore and British territory, north of the Mahendragiri, was, in fact, the settlement of the matter, inasmuch as the proposal emanated from this Government.

2. The Resident has lately been instructed to move the Travancore Sirkar to notify publicly this settlement, and the Magistrates of Tinnevelly and Madura have been instructed to repel any invasion of the Government rights east of this boundary line. No further instructions have been issued, and none appear to be necessary, as the line indicated admits of no doubt.

3. The Superintendent of Revenue Survey will state whether he requires any special orders on the subject. The Government observe that part of the line appears to have been left untouched by the Trigonometrical Surveyors.
