Proceedings of the Madras Government, Public Department, 9th August 1872.

No. 28. Read the following letter from the Inspector-General, Indian Medical Department, to the Secretary to Government, Fort St. George, dated, Fort St. George, 26th July 1872, No. 237 :—

In G. O., No. 1726, of 16th December 1869, arrangements were sanctioned for the supply of medicines, &c., to the establishments of Revenue Officers and Parties of the Forest Department. The arrangement in question was instituted with the view of providing an efficient check on the expenditure of the medicines sanctioned for the establishments of Revenue Officers, &c., and this was to be effected by incorporating their requirements in the annual jail indents submitted by the Civil Surgeons of the districts in which they were serving.

2. In the enclosed correspondence, however, the Finance Department require that each department shall indent separately for its own supplies of medical stores.

3. Under these circumstances, I have the honour to ask Government to cancel the circular sanctioned in G. O., No. 1726, of 16th December 1869, and to permit the issue of a circular containing the conditions indicated by the Finance Department, viz., that each department needing supplies of medical stores shall indent for them separately.

No. 29. ORDER THEREON, 9th August 1872, No. 911.

Under the circumstances set forth in the correspondence submitted with the foregoing letter, the Governor in Council resolves to direct that each department shall indent in future separately for the supply of medical stores required by it.

2. The Inspector-General, Indian Medical Department, will submit, for the approval of Government, the draft of circular which he proposes to issue in supersession of that approved of in G. O., No. 1726, dated the 16th December 1869.
