Miscellaneous No. 5426

Proceedings of the Board of Revenue

dated 7th August 1872.

Read the following

No. 319

From

W. D. Mitchell Esqre

Collector of Forth, pro tem

To

L. Grant Esqre

Secretary to the Board of Revenue, Madras.

Sir,

I have the honor to forward Copy of Letter No. 405 dated 5th instant from the Sub Collector recommending that Cheda Lavadi Sethuramaiar 2nd Class Revenue Inspector of Pollard be exempted from passing the General Test Examination.

2. From the enclosed Copy of the Service Register, it will be seen that Sethuramaiar has been continuously employed in grades eligible for promotion from 1861, and that previous to that year from 1843 to 1856 he was holding various temporary appointments, in the

the Revenue Department qualifying him for the post he now holds.

2. In the course of last year Mr Robinson appointed Sectaramaia as Revenue Inspector of the Palamanair Taluk under the impression that the Examination Rules would not bear his employment in such grade having previously held with them for objection the same and similar appointments. Sectaramaia was then transferred to Vellore in the room of another Revenue Inspector whose transfer to or Tellicherry Taluk became necessary.

4. He is reported to bear a good character an important qualification for a Revenue Inspector. The Sub Collector considers that it would be a great hardship to turn out Sectaramaia from his present appointment after an service of about (8) eight months in it.

5. Sectaramaia is under 26 years of age.

It would therefore be very hard for him now to study for the examination while he was constantly to iterate in his Division in the daily discharge of his multifarious duties.

6. I request therefore that this Board will be pleased under the circumstances now set forth to forward this application to Government for despatch by their own recommendation on behalf of this old servant of Government.

North Arcot Collector's Office, Camp Palamanair 26th July 1872.

I have &c
(signed) M. J. Whitecombe
Collector.

Submitted for the favorable consideration of Government.

The Board are of opinion that Revenue Inspector Sectaramaya ought to be reported to be an efficient Officer of good

good Character, having entered the Service
in 1843 and being now 46 years of age
should be exempted from passing the Special
test. Had his Service been continuous
no application on his behalf would be
required but he only obtained permanent
post in 1861.
