SIR,

With reference to G. O. No. 325 dated 21st February 1872, I have the honor to forward herewith a post copy of my telegram to Government of this date and a statement of the average Bazar rates of grain for the week ending 23rd March 1872.

2. The prices of paddy, Rice, Ambo, Greengram, and Chenna are stationary, while those of Horse-grain, wheat-grain and gingely have slightly fallen, and those of Cholam, Raggy and Colundu have risen.

3. Grain to the value of Rs. 25,417 was imported during the past week, particulars of which are shown in the margin. The

market is well supplied.

4. No rain has fallen during the week
and the water supply is diminishing
all over the country.

The Public health is good, though
there is a little fever and small-pox
here and there. Cattle-murrain is
slightly prevalent, and the want of pas-
ture and water for them is very much
felt.
