Memo No 6574. Revenue Department

Proceedings of the Board of Revenue
dated 30th September 1872.

Read the following:-

No. 222.

From, The Deputy Collector
on Memorandum Duties
Attached.

To, The Acting Collector
Trichinopoly

Sir,

In reference to the Endorsement
on petition herewith returned from
one Venkatarama Naik of Oodiarpollium
I have the honor to state:

2. About a mile from Cadaloor
Oodiarpollium to the Northwest, within
the limits of Kalumangalum, a village
attached to Oodiarpollium stands
there was a Choultry, built years
before by petitioners' ancestors,
the use of the travellers to Bangal
Salem &c. It was Endowed
with

The Enam 4 — 96 Dec dry in the said Village. Chultry having fallen into ruins for want of care and management, Managers (Petitioner) attended before the Enam Deputy Collector who settled this Jabety, and Entered into Muchilka binding himself to restore the Chultry with proper conditions within Six months to Ending on the 31st March 1865. But it would appear that Petitioner was unable to keep up to the condition. and the matter having been reported to the Enam Commissioner by the Jabeildar on the 6th November 1866, the Enam was directed to be resumed and this has been done. Petitioner now holds the lands on Puttah. He has paid Sunnuk from Fasli 1279 amounting to Rs. 43—6.

Petitioner now prays that the Enam may be restored, as he has rebuilt the Chultry. The Chultry was lately inspected by the Revenue Inspector

Inspector. It is now a strong and substantial building. Petitioner is a poor man. He is at this moment before me. He has evidently been at much pains and cost to restore. Time he had failed to keep up his Engagement with the Enam Deputy Collector; but this is of course what must be Expected of one in his condition who undertakes a work beyond his resources. The Chultry is a very useful one, and built Expressly for the public Good, and as everything is in order, but the lands which have been resumed, I would submit petitioners prayer to your favourable Consideration in view of restoring the Enam to the Chultry.

The Jabeildar's report and its Enclosures on the Subject is herewith appended.
