Proceedings of the Madras Government, Revenue Department,
18th September 1873.

No. 138. Read the following Proceedings of the Board of Revenue, dated 20th August 1873, No. 1,618 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 16th July 1873, No. 415 :—

THERE has been a boundary dispute between the inhabitants of Rajgoondapalli, in the Mulabagal Taluq, of the Nundidroog Division in the Mysore Territories, and the ryots of Karazali and other villages in the Punganur Zemindari of this district. By mutual agreement, Mahomed Ali, Assistant Commissioner of the division, and Mr. A. F. Cox, the Assistant Collector of this district, were appointed as arbitrators of the dispute, the former on behalf of the Mysore Government and the latter on behalf of the Zemindar of Punganur. These officers visited the spot in dispute, and Mr. Cox has drawn up and submitted to this office a report on the subject which, in my opinion, establishes almost the whole of the claim put forward by the Zemindar of Punganur; but, as Mr. Cox informs me that the Assistant Commissioner, Mahomed Ali, differed from his views of the matter, the question still remains undecided. It is, therefore, necessary that an umpire should be appointed to weigh the arguments on both sides and to decide the dispute. The Zemindar has requested that I shall visit the spot and settle the question, and I have now the honour to request that Government will be pleased, if they see no objection, either to appoint me for the final settlement of the dispute, or (in case it may be considered advisable that the umpire should be an officer of some district wholly unconnected with the question at issue) Mr. Gribble, Sub-Collector of the adjacent district of Cuddapah, might be advantageously selected, and the Rajah of Punganur would, I believe, agree to his being so appointed.

2. I have not received any intimation from the Mysore authorities as to whether they consent to the matter being thus referred to arbitration.

3. The dispute has now existed for a great number of years, and gives rise to endless quarrels and affrays between the villagers; it is, therefore, very desirable that the matter should be decided once for all as speedily as possible.

SUBMITTED for the orders of Government.

2. The Board think the umpire should be an officer of high standing unconnected with the district, and would suggest the appointment of the Director of Revenue Settlement.

No. 139. ORDER THEREON, 18th September 1873, No. 1,001.

Miscellaneous.

THE Government agree with the Board, and will address the Commissioner of Mysore accordingly.

Miscellaneous.

SIR,—It appears that there exists a boundary-dispute between the inhabitants of Karazali and other villages in the Punganur Zemindari attached to the district of North Arcot in this Presidency and the villagers of Rajgoondapalli in the Mulabagal Taluq of the Nundidroog Division in the Mysore territories.

2. The Collector of North Arcot writes that this dispute is of long standing, and gives rise to endless quarrels and affrays, and that recently Mr. A. F. Cox, an Assistant in his district, and Mr. Mahomed Ali, an Assistant Commissioner of the Nundidroog Division, were, by mutual consent, appointed as arbitrators: the former on behalf of the Zemindar of Punganur; the latter on behalf of the Mysore Administration.

G. O., dated 18th Sept. 1873, Nos. 138, 139.

3. He states, however, that, owing to these gentlemen taking different views, the question is still undecided, and he suggests the appointment of an umpire.

4. I am accordingly now directed to say that, if the suggestion meets with your approval, His Excellency the Governor in Council will be happy to appoint as arbitrator Mr. Banbury, the Director of Revenue Settlement in this Presidency, who is an officer of high standing, and one quite unconnected with the district wherein the dispute lies.

I have the honour to be,
Sir,
Your most obedient servant,

Acting Secretary to Government.
