Proceedings of the Madras Governm , Revenue Department,
20th Septembe 373.

Read the following tel ms :—

No. 163. From Collector of the Kistna District, M atam, to Acting Secretary to Government, Revenue Department, Ootacamun d 17th September 1873.

Little rain during last week. 35 cents. at Masu patam. 6½ feet over anicut. Supply from channels insufficient in some villages. Paddy transpl nting in parts of delta and Nandigama. Cotton and castor-seed sown in uplands. Standing c ops gener ally fair; failing where no rain. Prices generally stationary. Mild form small-pox p vails g enerally; also guinea-worm and fevers. Cattle healthy in six taluqs. Slight disease else ere. Pasture fairly sufficient. Markets well supplied locally.

No. 164. From Acting Collector of Kurnool, to Secretary to Government, Revenue Department Ootacamund, dated 17th September 1873.

No rain in the district. Distress in Koilakuntla. Crops fading. Grain largely imported into Koilakuntla, Sirwell, and Nandial from adjacent taluq. Prices high and increasing. Dengue in Kurnool and Nandikotkur. One foot of water over Sakesala anicut.

No. 165. From Treasury Deputy-Collector of Tan e, to Acting Secretary to Government, Revenue Department, Ootacamund, d ted 17th September 1873.

No rain at Negapatam. Very scanty and partial lsewhere. Rain greatly wanted. Freshes in rivers. No supply to tanks. Water over upper anicut—south branch 1 inch; lower north 4 inches; south 4½ inches. Cultivation progressing. Standing crops not thriving for want of rain. Some are withering. No harvest. Pasture m derate. Markets fairly supplied. Prices almost steady. Public health, heat excessive, small-p nd dysentery slightly prevalent. Cattle generally healthy. Disease here and there.

No. 166. From Collector of Trichinopoly, to Ac g Secretary to Government, Revenue Department, Ootacamund, dated th September 1873.

No rain. Water-supply sufficient in wet villages in dry villages it is becoming scanty. The condition of irrigated crops is good. But pulse- ains are suffering from failure of rain. Outturn of Valan rice in one taluq is slightly below th ave age, and that of Cumboo in another twenty per cent. below. Prices stationary, except in poly where they have risen slightly. Public health generally good, notwithstanding small-p me parts of Trichinopoly. Condition of cattle generally good. Pasture becoming defi

---

No. 167. From Collector of Malabar, Calicut, to Secretary to Government, Revenue Department, Ootacamund, dated ptember 1873.

Rain-fall none. Cessation of rain unfavourable nd crop. Sowing of gingelly completed. First crop harvest approaching completion. l-pox and fever slight. Pasture abundant. Prices stationary. Cattle healthy.

No. 168. Order thereon, 20th Septem 3, No. 1,014.

Communicated to the Board of Revenue. It observed that the report from Kurnool is unsatisfactory, but the state of the distric btless receive the Board's careful attention.

2. As no Covenanted Assistant is available, an a Deputy-Collector will be attached to the district to aid Mr. Hope.
