No. 174. Proceedings of the Board of Revenue, dated 11th September 1873, Miscellaneous No. 5,870.

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 1st August 1873, No. 65.

I HAVE the honour to submit an application from Colonel Dalyell for a block of waste land which contains five patches of sholah.

2. The land constitutes the Avoca valley, and is situated on the hill-plateau at a short distance from Mr. Mullaly's Tea Estate at Hooliculdroog, 6 miles south of Coonoor. The wood included in the application is scattered sholah, and it covers about 8 acres.

3. Colonel Dalyell proposes to plant Tea in the event of his wishes being complied with.

4. Captain Murray, the local forest-officer, has been consulted, and sees no objection to the grant of the land so far as the requirements of his department are concerned. I have also inspected the spot. In the centre Colonel Dalyell has already 40 acres of land, which he purchased from Mr. Stanes. The valley is not visible from Coonoor.

5. A sketch of the application is enclosed.

SUBMITTED for the favourable consideration of Government, with reference to G. O., 30th January 1868, No. 259, paragraph 6.
