Proceedings of the Madras Government, Revenue Department,
20th September 1873.

No. 179. Read the following Proceedings of the Board of Revenue, dated 28th August 1873, No. 1,695 :—

Read the following letter from B. HORSBRUGH, Esq., Acting Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 11th August 1873, No. 166 :—

I HAVE the honour to forward a statement showing the amounts due by certain parties who purchased unassessed waste lands on the Anamallays, but who have failed to clear up their account, although the needful particulars were duly supplied them.

1 Statement.
1 Specimen Notice.

2. These lands were applied for at a time when there were no Surveyors available to survey and demarcate the plots selected, and Mr. Grant, the then Collector, waived the rule requiring previous survey and demarcation, and sold the lands in 1865 and 1866, as they were in great request at the time. Full purchase-money on the estimated extent was paid down within thirty days in the case of the three first lots noted in the accompanying list, and in the three other cases only ten per cent. of the value; but the prescribed Deeds, A and B, could not be executed for want of official surveys.

3. The surveys and demarcation were subsequently carried out by the Survey Department, and in November 1870 full particulars of the demand against each of the purchasers were supplied them, with request that the balance might be paid up. They have not done so up to this date.

4. I have the honour to request that, under the circumstances explained, I may be permitted, under Rule XV. for the sale of unassessed waste lands, *vide* page 129 of Dalyell's Edition, to issue Notices in the enclosed form, and also to publish them in the Fort St. George and District Gazettes, and to formally resume the lands on default of payment. The rule specifies that Government is the authority to order such procedure.
