PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from  
the Superintendent of Stationery, Fort  
Saint George, through the Inspector  
General of Ordnance and Magazines,  
dated 5<sup>th</sup> September 1873, N<sup>o</sup> 431.

Referring to the Order of  
Government in their Proceedings in  
the Financial Department, N<sup>o</sup> 1234  
of 30<sup>th</sup> August 1873, I have the ho-  
-nor to state that, unless the sup-  
-ply of the water marked paper at-  
-tached to therein is small, the  
space available in this office build-  
-ing is too limited to keep it here  
for

for safe custody. There is no se-  
parate detached building to keep  
this article apart from the stores  
appertaining to this office, nor will  
it permit a sentry to be placed  
on guard over this article without  
leaving the other stores exposed  
also, on account of the single  
range and distance of the apart-  
ment occupied with the stores  
of this office.

Order thereon, Botocaimund, 11<sup>th</sup> September

1873, N: 1293.

Communicated to the  
Revenue

18/12  
Revenue Department, with  
reference to the Orders in that De-  
partment dated the 21<sup>st</sup> August  
1873, N: 142.
