Proceedings of the Madras Government, Revenue Department,
20th September 1873.

No. 181. Read the following Proceedings of the Board of Revenue, dated 21st August 1873, No. 1,623:—

Read the following letter from H. MORRIS, Esq., to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 19th July 1873:—

THE Government having accepted my offer to prepare the Manual of my district, I shall be obliged if you will kindly inform me whether the Board have any special instructions to give me as to the preparation of the work; whether they require the MS. to be submitted to them; and whether I may be permitted to have the book printed in England, where I intend to write it, I shall be most happy to receive any suggestions they may desire to offer. My address will be—

Care of Messrs. King and Co.,
65, Cornhill,
London.

THE Board have no special instructions to give Mr. Morris. The Government will be requested to furnish for his use a copy of Dr. Hunter's "Heads of Information." The MS. need not be submitted to the Board. The question whether Mr. Morris should be permitted to have the work printed in England will be submitted for the orders of Government. It will, in the Board's opinion, be well that he should see it through the press, which he can do if it is printed in England as proposed.

No. 182. ORDER THEREON, 20th September 1873, No. 1,020.

Miscellaneous.

THE Government observe that Mr. Morris has already been supplied with a copy of Dr. Hunter's Heads of Information. There is no objection to the work being printed in England under Mr. Morris' superintendence, provided that the whole cost and charges, including delivery of 300 copies in Madras, do not exceed Rs. 1,000, the sanctioned amount; but the manuscript must, in the first instance, be submitted for the approval of the Board.

(True Extract.)

Acting Secretary to Government.
