THE Acting Sub-Collector states that a person named Goolabhi Lakshamaya applies for a piece of Government Waste land, No. 7, measuring Acres 2-8-0, and lying at a distance of less than a quarter of a mile from the Gooty Railway Station. The land is required for the construction of a Chuttrum, and the applicant is prepared to lay out a sum of Rupees 2,000 in its erection, and it will be open to all classes of people.

2. Under the Orders of the Board of Revenue, conveyed in their Proceedings, No. 3,028, dated 20th July 1871, no Government land within half a mile of the boundary of any Railway Station, can be disposed of for private occupation without their previous sanction.

3. The Resident Engineer has been addressed on the subject, and he says that the land applied for is not likely to be required for Railway purposes.

The accompanying sketch map shows the position of the spot.

4. I have therefore the honour to request you will be good enough to permit the land to be appropriated for the required purpose.

ENCLOSURE No. 1.—Sketch.

SUBMITTED for the orders of Government.

2. A chuttrum is much needed at the proposed site and the Board recommend Government to grant the Acres 2·8 of land applied for.

3. It appears that the chuttrum is to be open to all classes of the people. If the founder wants the usual landed endowment he must of course submit the plan of the building for approval before it is commenced.
