Sir

In continuation of my letter No 574 dated 4th June 1873 I am directed to state that as His Excellency the Governor in Council deems the power of conversing in the vernacular with the Natives of the country an indispensable qualification of an Agricultural Officer he would suggest the insertion in the Agreement already forwarded of a clause specially stipulating for the acquisition

acquisition of at least one
among the languages of this
Presidency

To
Govt of India
Dept of Agri. Rev. & Com.

Insertion of a clause in the Agreement with the Govt Superintendents for the assignation of the Emoluments of the Madras Revenue

From Bd. of Revenue Dated 29th August 1873. 187.

FOR ORDERS.

As Mr S. is highly spoken of - and it is of great importance to start our District Farms, I would authorise the Board to let Mr S. out. He cannot without sanction give salaries

about 250 Kr per an - that
then sum must be his Majesty
sum under the present
agreement - I would stipulate
that he should acquire the
Native language either Tamil
or Telugu - and serve as Asst.
or in charge of a Taluq &c

L. D.S. 9.9

P.S. I do not know a better

we have stipulated for
learning as better language
- in the case of the sum
sent for England - if
not, we should do so
at once - it is a sine
qua non.
