No. 199. Read the following Proceedings of the Board of Revenue, dated 22nd July 1873, No. 1,353 :—

READ again letter from the Collector of Nellore, dated 16th April 1873, No. 880, recorded in Board's Proceedings, dated 5th instant, No. 1,198.

SUBMITTED for the orders of Government.

2. Of the Statements A and B, received with the foregoing letter, the latter, showing the amount of compensation due to the Venkatagiri Zemindar and his ryots for lands taken for the Chennur channel, the extension of the East-Coast Canal, and the Venkatagiri road, has been disposed of separately in Board's Proceedings, dated 5th instant, No. 1,198.

3. Statement A refers to Government lands taken for the same works from the ryots cultivating them. The area occupied by these works is acres 33·85, but as acres 1·08 do not appear to have been ever cultivated by the occupant, it is only necessary to grant compensation in respect of the remaining acres 32·77.

4. The lands are valued at Rupees 12 an acre for "dry" and Rupees 28 for "wet." The cost of the lands calculated at these reasonable rates amounts to Rupees 417-8-9, and not Rupees 417-5-9 as given in the statement under reference. The difference of Annas 3 is owing to a slight error in calculating the compensation due to Chennur Achamma, which is put down in the statement as Rupees 17-7-2, whereas it ought to be Rupees 17-10-2. A payment of Rupees 18-9-0 is also recommended as the value of the trees which stood on the lands taken up by the East-Coast Canal.

5. These proposals show that the ryots are entitled to a money-compensation of Rupees 436-1-9 as shown below :—

				RS.	A.	P.
1.	Value of lands taken up by the Chennur channel			142	12	8
2.	East-Coast Canal	198	8 10			
	Value of trees on do.	18	9 0			
				217	1	10
3.	Value of lands taken up by the Venkatagiri road			76	3	3
				436	1	9

6. The last of these items alone appertaining to Local Fund is sanctioned. The necessary funds may be drawn from the Road Fund reserve of the current year.

7. The sanction of Government is solicited for Items 1 and 2. The Board presume that compensation for lands taken in connection with the extension of the East-Coast Canal will be paid from the allotment of Rupees 50,000 for the work in the Provincial Budget.
