Proceedings of the Madras Government, Revenue Department,
29th September 1873.

No. 235. Read the following Proceedings of the Board of Revenue, dated 20th September 1873, Miscellaneous No. 6,250 :—

Read the following letter from H. B. GRIGG, Esq., Honorary Secretary Breeks's Memorial School Committee, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 5th September 1873.

I HAVE the honour, on behalf of the Committee of the Breeks's Memorial School, to request that you will be good enough to ask the sanction of the Board for the remission of the Import-duty upon certain articles for the Memorial School to arrive at Madras in the course of a few days by s.s. *Lumley Castle* and *Calcutta*. The value of the goods in London was about £215.

	£.
Two turrets, wood, iron and zinc	130
Terracotta Medallions	60
Iron staircase	15
Bell, etc.	10

2. The Committee make this application on the ground partly that the rise in the price of iron, of which a considerable quantity is used in the building, the roof being of that material, after the estimate was framed, has disturbed their calculations; partly that the things are for a charitable purpose.

3. I would mention that, for the above reasons, Messrs. Arbuthnot & Co. have promised to land and forward the goods free of all charge.

5. Trusting it may be in the power of the Board to grant this request, I have, etc.

SUBMITTED for the orders of Government.

No. 236. ORDER THEREON, 29th September 1873, No. 1,046.

Custom.

THE Governor in Council is precluded, under the orders of the Government of India, from sanctioning a remission of Customs duty on the articles in question, but, as a special case, the Accountant-General will be authorized to accept the charge on account of Government, debiting it to the Provincial Surplus.
