Proceedings of the Madras Government, Revenue Department,

29th September 1873.

No. 237. Read the following Proceedings of the Board of Revenue, dated 11th September 1873, Miscellaneous No. 5,884:—

Read the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 5th September 1873, No. 333.

THE Carnatic Railway Company having commenced operations in this district, and a considerable extent of land having been already marked out, I have the honour to request that the Government may be moved to appoint an officer of the grade of a Deputy-Collector to determine the compensation to be paid to the owners.

2. It is some time since I received the tracings and schedules of the land required from the office of the Consulting Engineer, who now presses that it may be made over to the Company; but this cannot be done until the question of compensation has been decided.

3. My Deputy-Collector on general duties is now busily engaged in the settlement of the Checkady Jaghire in addition to the usual work of his division, and the only Assistant I have has not passed, so that there is no one in the district whom I can depute for the work.

SUBMITTED for the favourable consideration of Government.

No. 238. ORDER THEREON, 29th September 1873, No. 1,047.

Miscellaneous.

RECORDED, with reference to the appointment of Meer Unsawar-o-deen Sahib to act as a Deputy-Collector in the South Arcot District.

2. It is observed that, if necessary, the whole of the lands required may be at once taken possession of under the Act; the amount of compensation being determined afterwards. A further report should be submitted on this point.
