No 248.

From

The Superintendent of
Stationery,
Fort Saint George.

To

The Secretary to the,
Board of Revenue,
Madras.

Sir,

Referring to the Proceedings Miscellaneous No 3442, of 7th June 1873, directing the issue of 250 Reams of Double Royal Printing paper, in lieu of 310 Reams of Double Double Post thin, I have the honor to inform you in reply, that Double Royal Printing Paper is not available for supply from this office. No provision was made for this description of paper in my General Indent on the Home Government, to meet the present demand, because no estimate for it reached this Office by the time referred to.

to in the Notification published in
page 425 of Fort Saint George
Gazette of 6th November 1866.

12th June 1873 }
Sg. Supt. of Stationery

As the Superintendent
of Stationery states in the above
letter that Double Royal Printing
Paper required for printing
the forms of birth and death
Registers, is not available
for issue, the Board request
that Government will be pleased
to authorize the Superintendent
of the Government Press to pur-
chase 200 Reams of that paper
from the local market.

2 The Board understand that
as the forms of birth and death
Registers were urgently required
the Superintendent has already
printed a large number of
forms on Double Royal Printing
Paper received from other de-
partments and kept in deposit
with him. It is thus too late
to

15/1
to print the forms on any other paper, and the
quantity of Royal paper used by the Super-
intendent has to be replaced by him.
