Sir,

With reference to your letter of 18th instant, No. 574, I have the honor to state that as the Local Government in their Order of 19th December last No. 139, sanctioned the retention of the Deputy Collector until the return of the Officer who was deputed to visit the Laccadive Islands, I am unable to pay Mr. Fernandez any allowance as Extra Deputy Collector from 4th March the date on which Mr. Stokes returned to duty from the said Islands. The pay of his substantive appointment will however be allowed to him from the said date.

Sir,

Adverting to Government Order dated the 19th December 1872, No. 139, Revenue Department, I have the honor to enclose for the Board's information, copy of a letter from the Deputy Accountant General in which that Officer declines to pass any allowances to Mr. L. B. Fernandez as additional Deputy Collector in this District from the 4th March, the date on which Mr. Stokes returned from the

the Amindivi Islands, to the 12th instant when he gave over charge of his Office in this District to proceed to Calicut.

2. The circumstances under which Mr. Fernandez's services were retained were reported to the Board in my letter dated the 4th March 1873, No. 254, but as his transfer to Calicut appeared in the official Gazette shortly after he gave over charge of his Office on the 12th inst., or the day before that on which the Board's telegram directing the discontinuance of his services was received.

3. The present retrenchment is only nominal, and Mr. Fernandez will lose nothing by it, as the pay of his permanent and temporary posts is equal. It is however a question of account as to the head to which the payment is to be debited, while Mr. Fernandez loses a few days' services in a higher grade of appointment. The question also affects the salaries of his establishment which have been similarly retrenched.

4. Under these circumstances I have the honor to request that the necessary sanction of Government may be obtained to enable the Accountant General to pass the allowances due to Mr. Fernandez from the 1st to 12th March 1873, as additional Deputy Collector for general duties in this district.—

This application will be submitted for the favorable consideration of Government through the Accountant General.

The Collector having sent on strong representations on the subject of the insufficiency of the Revenue Staff of the District thought himself justified in retaining the services of the additional Deputy Collector beyond the sanctioned time in anticipation of orders. On his reporting this to the Board he was directed by telegram to dispense with the Deputy Collector but the Deputy Collector had left to take up a new appointment one day

day before the telegram reached Mangalore the Collector now asks for the salaries of the Deputy Collector and his Establishment during the interval Viz: the period from the 4th to the 12th of March -
