Proceedings of the Madras Government, Revenue Department, 30th September 1873.

No. 242. Read the following Endorsement of the Chief Secretary to Government, dated 12th September 1873 :—

Extract from letter from the District Engineer, South Arcot, No. 90, dated 29th August 1873.

2. I take this opportunity of bringing to your notice that, for the construction of a subsidiary jail at Ellavanassoor, an estimate of Rs. 3,830 was sanctioned in G. O., No. 1,318, of 21st April 1869, and the work was stopped under the restrictive orders of that year after an outlay of Rs. 886-10-5 had been incurred on foundations to jail and raising walls to some height. It has been since decided by the Revenue Department to transfer to Oolundoorpett the office of the Sub-Magistrate and the subsidiary jail, and to abandon the present cutcherry at Ellavanassoor; the budget grant of Rs. 4,000 for the subsidiary jail at Ellavanassoor will have, therefore, to be appropriated to the new cutcherry at Oolundoorpett.

3. Plan and estimate for this new building have been prepared and forwarded to the Collector for approval, and will be sent up for submission to Government as soon as they are returned by him. The required site for the building has also been obtained, and pending sanction to the estimate, I have instructed the range officer to commence collecting materials for the work. The Sub-Magistrate's cutcherry is planned in accordance with the standard design.

No. 1,044.

FORWARDED for the information of the Chief Engineer, Department Public Works.

No. 243. ORDER THEREON, 30th September 1873, No. 1,050.

Miscellaneous.

THE District Engineer should be called upon to quote the date and number of the orders in the Revenue Department to which he refers. The order of 6th October 1871, No. 1,749, which is apparently the most recent passed on the subject, determines to defer the proposed change of the Sub-Magistrate's station.

(True Extract.)

Acting Secretary to Government.
