Proceedings of the Madras Government, Revenue Department, 2nd October 1873.

No. 1. Read the following Proceedings of the Board of Revenue, dated 17th September 1873, No. 1,867 :—

Read the following letter from J. HUNTER-BLAIR, Esq., Collector of Madras, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 12th September 1873, No. 202 :—

REFERRING to paragraph 3 of the Government Order, No. 777, of 24th July last, communicated by Board's Proceedings, No. 1,778 of 9th instant, I have the honour to request that the Board will be good enough to let me know whether I can at once entertain the six Nirgantis sanctioned. If they cannot be entertained before the receipt of the sanction of the Government of India, I beg that the Board will recommend Government to authorize their entertainment, in anticipation of the sanction of the Government of India. The District Engineer complains, that the Tank bunds which he has recently put in thorough repair, have been much trodden down by people and cattle passing over them at certain places, and an establishment to look after them is, therefore, urgently required.

THE Board are not aware that the confirmation of the Government of India is necessary to the sanction accorded by the Government of Madras, which is unconditional and may be acted on by the Collector.

No. 2. ORDER THEREON, 2nd October 1873, No. 1,052.

Miscellaneous.

To Government of India, 15th September 1873, No. 991.

THE sanction referred to should, as observed by the Board, be acted upon at once. It has been reported to the Government of India in the statement of charges for the month of July 1873.
