Proceedings of the Madras Government, Revenue Department, 4th October 1873.

No. 34. Read the following Proceedings of the Board of Revenue, dated 5th September 1873, No. 1,751 :—

Read the following letter from J. B. PENNINGTON, Esq., Acting Collector of Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Arambavur, 21st July 1873, No. 152 :—

Dated 18th December 1872, No. 550.

As the District Judge has asked me in his letter, date and number as per margin, to apportion the rest of the Istimirar villages of the Arealur Zemindari in view to their being sold in satisfaction of debts incurred by the Zemindar, I have the honour to submit two statements, in the prescribed form, showing the apportioned peishcush for each village.

2. The amount of the Zemindar's income in each village is calculated exclusively of the Jekkubandi Stalam and Kaval Inams with which the Zemindar has nothing to do, and which were recognized by the Inam Commissioner who issued separate title-deeds to their holders.

3. The total number of villages in the Zemindari is fifty-seven : the Peishcush for the whole of which amounts to Rs. 700 ; twenty-seven villages were sold by the Civil Court in 1871, and the apportionment of peishcush for each of these villages was sanctioned by the Board, according to the statements submitted from this Office with letter No. 272, dated 30th November 1870. The Peishcush for the said twenty seven villages amounted to Rupees 333, and the rest of the Peishcush Rupees 367 is now apportioned on the remaining thirty villages.

4. It may not be much out of place to say here that I think the creation of a number of small Inamdars holding at a mere quit-rent for no kind of service rendered to the State is to be regretted, and I should have been glad if the Estate could have been bought in by Government or fully assessed.

ENCLOSURES Nos. 1 and 2.—Statements.

THE Board approve and sanction the proposed sub-division of the remaining thirty villages which are attached to the Arealur Estate and which it is proposed to sell. They are specified below with the peishcush determined on each village :—

2. With reference to the last paragraph of the Collector's letter the Board resolve to submit for the orders of Government the question of buying up these villages on behalf of Government as suggested by Mr. Pennington. There are administrative objections to the creation of so many petty Estates, and the purchase by Government would be beneficial to the ryots, but the Board do not see their way to the adoption of the Collector's proposal, which might prove an embarrassing precedent.

No. 35. ORDER THEREON, 4th October 1873, No. 1,067.

Miscellaneous.

THE Government consider it inexpedient to purchase the villages referred to in the Board's Proceedings recorded above, unless they possess valuable forest-lands, the control of which it is desirable to obtain.
