*Proceedings of the Madras Government, Revenue Department,
9th October 1873.*

No. 66. Read the following Proceedings of the Board of Revenue, dated 24th September 1873, No. 1,930:—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Konada, 12th September 1873, No. 1,372:—

I HAVE the honour to submit a copy of the Deputy Collector's letter with a list of establishment required for the new salt pans at Konada.

2. From the Deputy Collector's letter, No. 5, dated 4th January 1873, recorded in Board's Proceedings, No. 365, dated 13th March 1873, it will be seen that no new establishment has been sanctioned for the new pans; they have been carried on by contributions from the other pans.

3. It is necessary, however, now that there should be a separate establishment: more than 70,000 maunds of salt has been manufactured now, and the pans are in good working order; and the establishment ought to be sanctioned before the next working season.

ENCLOSURE No. 1.

From MAHOMED ALI, Deputy Collector, to J. R. DANIEL, Esq., Acting Collector of Vizagapatam, dated 30th August 1873, No. 190.

REFERRING to paragraph 3 of my letter, No. 5, dated 4th January 1873, I have the honour to inform you that I have succeeded in manufacturing 70,416 maunds of salt at Konada pans, which is more than the usual manufacture of Kuppili, and request that you will be good enough to obtain necessary sanction for the entertainment of establishment for the re-opened Konada salt pans as per scale appended to Board's Proceedings, No. 940, dated 8th June 1872.

2. The salary of the Clerk was originally proposed at Rupees 15 per mensem on the consideration of the low manufacture and low sales of former years, but the manufacture has since been increased by the introduction of reservoir system, and the duties of the Clerk at Konada will be equal, if not more, to the duties of Clerks in other divisions, whose salaries are Rupees 20 per mensem.

3. As you have expressed your opinion that it would be unjust to allow low salary for the Clerk at Konada when the duties are equal as elsewhere, I herewith submit a revised list of establishment, in which I provided Rupees 20 for the Clerk.
