Proceedings of the Madras Government, Revenue Department,
13th October 1873.

No. 94. Read the following Proceedings of the Board of Revenue, dated 5th September 1873, No. 1,752 :—

Read the following letter from R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Saidapet, 18th August 1873, No. 342 :—

THE Board are doubtless aware that the Government are under engagement to pay to the family of Moottookistna Moodelly, the original grantee of Manaly and other Shrotrium Villages in the Saidapet Taluq, certain fixed money allowances called "Salt and Toddy compensation," aggregating Rupees 3,477 per annum.

	Rs.
Salt compensation	3,382
Toddy do.	95

2. As to the circumstances under which these allowances were first granted, I beg to refer to the marginal correspondence which passed in 1864-65 and 66 between this Office and the Board on the death of Apparow Moodelly, a late recipient. It will be seen that Government decided, as far back as 1840, that the allowance in question should be paid to the senior male member of the family of the original grantee, even though it might be divided, leaving it to him to apportion the allowances amongst the various members according to their respective shares. In accordance with this ruling, the Board, in their Proceedings, dated 13th November 1866, No. 8,186, sanctioned the payment of the allowances in question to one Rajagopaul Moodelly, who then succeeded Apparow Moodelly, as the senior male member.

Do. 13th Nov. 1866, No. 8,186.

3. Rajagopaul Moodelly died in July 1870, and his nephew (elder brother's son) Chinnacasavaroya Moodelly now claims the disbursement of these allowances with arrears; and from the enquiries made by the Tahsildar and the report submitted by him on the 6th January last, as well as from certain orders, etc., of the High Court filed on the 30th April last, it seems that Chinnacasavaroya Moodelly is the undoubted head of the family, and I therefore request that the Board will sanction the future disbursement of the allowances, and payment of the arrears to him.

4. The delay in reporting upon this case is entirely owing to Chinnacasavaroya Moodelly not having put in his claim till June 1872, in consequence of certain family quarrels and threatened litigation, regarding the management of this Shrotrium and other family property; these differences, however, have now been amicably settled, and he is ready to act as head of the family.

5. The salt compensation is payable by monthly instalment, and the Toddy compensation, at the end of every year; the former allowance was disbursed up to the end of June 1870, and the latter to the end of Fasli 1278 (July 1869), so that the total amount of arrears up to date, is Rupees 10,526, as shown in the margin.

Salt compensation	from July 1870 to July 1873	10,146

Proceedings of the Madras Government, Revenue Department,
13th October 1873.

As compensation for certain resumed items of revenue (Toddy and Salt) the Shrotriemdar of Manaly is entitled to an allowance of Rupees 3,477 per annum.

2. On the death of Rajagopaul Moodelliar the last holder in July 1870 the allowance became payable to his nephew Chinnacasavaroya Moodelliar the present head of the family. Owing to family disputes however he did not prefer his claim until June 1872. The amount of arrears now due is Rupees 10,526 for payment of which the sanction of Government is solicited.

No. 95. ORDER THEREON, 13th October 1873, No. 1,096.

Miscellaneous.

THE Government sanction the payment of the allowances to Chinnacasavaroya Moodelly and the disbursement to him of the accumulated arrears amounting to Rs. 10,526.
