Proceedings of the Madras Government, Revenue Department,
28th January 1873.

No. 218. Read the following letter from the Officiating Secretary to the Chief Commissioner of Mysore, to the Secretary to Government, Revenue Department, Fort St. George, dated Soraba, 9th January 1873, No. 5,635-42:—

I AM directed to acknowledge your letter No. 1,319, dated 13th September last, transmitting a copy of the Proceedings of the Government of Madras, No. 21, dated 5th idem, on the settlement of the boundary between the border villages of Mysore and the Muddenpully Taluq of the Cuddapah District, as arrived at by the Commission deputed on this duty, composed of Captain Stuart, Deputy-Director of Revenue Settlements in Madras, and Mr. Mahomed Ali, Assistant Superintendent, Mysore Commission; and to state, for the information of His Excellency the Governor in Council, that the Chief Commissioner, on the part of the Mysore State, concurs in the said settlement as so arrived at and accepted by His Excellency in Council.

2. With respect to the proposal to leave the one disputed case, still pending between the Cuddapah village of Malapod and the Mysore village of Sonnikullu, to the decision of Mr. Storr, the Sub-Collector of Cuddapah, the Superintendent of the Division urges that the Mysore ryots will certainly think that there has been a want of consideration for their interests on the part of this Government if it is not represented at the settlement, and as the Chief Commissioner concurs in this opinion, he proposes to direct the Deputy-Superintendent of Colar to meet Mr. Storr at the disputed locality on such date as may be mutually convenient, and to carry out a final settlement of the case by arbitration or some other practicable mode, if such cannot be done by mutual agreement by him and Mr. Storr. Colonel Meade ventures to hope that this course will be approved, under the circumstances, by His Excellency in Council.
