Sir,

The present native burial ground
of the Bealoor Village in the Hindupur
Taluk is situated where the tank
of the Village receives a full supply
and the water consequently gets im-
pure and engenders sickness amongst
the population who get their drinking
water from the tank. The Villagers
therefore propose to have a piece of dry
land out of No. 21 Acres 2-13-8
situated at Rupes 2-5-5 which is
unoccupied waste set aside for
the purpose. It is reported that there
is no other land available. I have
therefore the honor to request that
sanction may be accorded for the same.
