Proceedings of the Madras Government, Revenue Department,
14th October 1873.

No. 109. Read the following Proceedings of the Board of Revenue, dated 26th August 1873, No. 1,664:—

Read the following letter from J. HOPE, Esq., Acting Collector of Kurnool, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 31st July 1873, No. 226:—

With reference to paragraph 2 of G. O., No. 60, dated 8th January 1873, communicated with Board's Proceedings, Miscellaneous No. 307, dated 18th idem, I have the honour to inform you that the charge for filling kuntas or ponds for purposes other than irrigation may be collected by the Revenue Department along with other dues as they fall due. Where, however, from the inability or refusal of the parties to pay, or from any dispute regarding the shares to be paid by each, it is found difficult to collect any portion of the water-rate, I think the Company must be left to seek their own remedy in the Courts or by other means in their power; at least, I cannot see what other course is open to us as it is impossible for the Collector to enforce payment as a revenue arrear.

Submitted to Government in continuation of Board's Proceedings, dated 2nd July 1873, No. 1,157.

No. 110. Order thereon, 14th October 1873, No. 1,103.

Irrigation, No. 1.

Communicated to the Public Works Department, with reference to the order referred to by the Acting Collector.

2. The Governor in Council has already dealt with the question of water supplied for other purposes than irrigation in paragraph 3 of the order of Government, under date 13th September 1873, No. 984. There is no objection, however, to the officers of Government collecting the Company's dues for such supplies when they are undisputed.
