Read letter, dated 23rd June 1873, No. 355, recorded in Board's Proceedings, dated 7th August 1873, Miscellaneous No. 4,963.

Read also the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 18th August 1873, No. 488.

ADVERTING to the Proceedings of the Board of Revenue, dated 7th instant, No. 4,963, I have the honour to furnish the information therein called for.

2. The new lands proposed to be assigned to the toties and taliaries of Yellapalli village are situated in the same village. The village in question is attached to the Polliem. There are no Government lands in the vicinity available for assignment to the above toties and taliaries. I recommend, therefore, that the lands already selected may be sanctioned, and the peishcush of the Naraganti Polliem reduced by Rs. 29-2-5, which is the total of the assessment upon the Polliem lands proposed to be assigned as Inam in both cases.

SUBMITTED for the orders of Government.

2. In lieu of acres 1-32 of toty and taliary service Inam, assessed at Rs. 29-8-7, in Yellapalli, a village of the Naraganti Polliem, in the Chittoor Taluq, rendered unprofitable from causes beyond the Inamdar's control, it is proposed to let the Inamdars take up a fresh assignment of acres 1-30, assessed at Rs. 29-2-5, from the Polliem lands, a corresponding reduction being made in the peishcush payable by the Poligar.

3. The peishcush of the Naraganti Polliem estate is Rs. 6,611-5-10 at present. The reduction recommended above will leave it at Rs. 6,582-2-5.

No. 149. ORDER THEREON, 16th October 1873, No. 1,122.

Miscellaneous.

SANCTION is accordingly granted for the assignment of acres 1-30, assessed at Rs. 29-2-5, in lieu of service Inam land of the extent of acres 1-32, assessed at Rs. 29-8-7, rendered unfit for cultivation. In the case of the toty service, the Collector proposed a jodi of Anna 1-10 to equalize the fresh grant to the old one, and this will be levied accordingly.

*Proceedings of the Madras Government, Revenue Department,
16th October 1873.*

2. Sanction is also granted for the reduction of the peishcush of the Naraganti Polliem by Rs. 29-2-5. The Board state the present peishcush to be Rs. 6,611-5-10, and, if this figure is correct, the future peishcush will be Rs. 6,582-3-5, and not Rs. 6,582-2-5 as given by the Board.

Secretary to the Board of Revenue
Madras

SIR,

Adverting to the Proceedings of the Board of Revenue dated 11th Instant No. 3540 I have the honor to state that although the village of Yellapalli referred to in the Compensation statement is situated in the Naraganti Estate yet the Toty and Talavi lands in question are held for service rendered to the State. The servants do duty in the Polliem and are amenable to Regulation VI of 1831. As the Estate is under the Management of the Court of Wards it

it has been usual to submit a separate statement in such cases entering the name of the Polliem in the column intended for Taluk and accordingly the statement in question was also submitted for sanction.

2. Should the Board consider that the name of the Government Taluk only should be entered in the above column I shall accordingly submit my future statements.

It does not appear from the Compensation statement submitted by the Collector where the new lands proposed to be assigned to the Zamindars in exchange for theirs are situated and whether within a convenient distance from Yellapally - the Village in which they are required to do duty. In the event of no Government land being

being available for the assignment in or about Yellapally, the Collector should state if it is not possible to grant the Polliem lands in the Village a corresponding reduction being allowed in the Peishcush payable by the Zemindar.

Adverting to his enquiry in para 2 of the foregoing letter the Collector is informed that the statement should show both the Taluk and the Polliem in which the lands are taken up.
