My dear Mr Dalrymple

I received your letter
of May 3rd just as I was start-
ing for a few days visit to
London (for I no longer re-
side there) and so was able
at once to execute your
Commission which I had
great pleasure in doing.
I could have got a Bivouac
bag of an ordinary kind for
3 or 4 £, but I thought as
a present from Government
it was worth while to get
one out of the common

man, so that it might attract
notice. I accordingly ~~was~~
purchased one made of
Aluminium, a somewhat
expensive metal, but one
from its great lightness
particularly adapted (as
I know by experience) for
the Commander of a vessel
who has often to keep it
incessantly to his eye for
several hours. I arranged
to have the inscription (which
I hope will be approved) en-
graved on the draw out ~~extension~~
tubes. The whole cost £15
for which I send the Re-
ceipt as I paid it at once,

4 you can remit me the a-
mount in any way most
convenient. 112/2

My address is
8 Clarendon Crescent
Leamington.

The Inscription is as follows:

Presented by
The Madras Government to
Capt. Bellwood of the B.I.S
Steamer "Bellona".

In recognition of the assist-
ance afforded by him at the
fire at Badagara, 15th Jan. 1873.

Believe me
Yours very truly
W. H. Bayley.
