No. 188. Read the following Proceedings of the Board of Revenue, dated 20th September 1873, No. 1,891 :—

Read the following letters :—

From the Hon. D. ARBUTHNOTT, Officiating Collector of Madras, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 15th March 1873, No. 59.

I HAVE the honour to forward, herewith, a petition from one Mahomed Sadak Hussen *alias* Shistyar Khan praying for the continuance to him of a jaghire pension drawn by his mother, Khairunnissa.

2. Petitioner belongs to the family of the Jaghiredar of Satamback (a village in the district of North Arcot), who was in receipt of a pension of Rupees 700 per mensem. In their Order, dated 20th March 1821, No. 244, Government sanctioned a distribution of the above pension among several members of his family subject to the condition that at the death of the several incumbents the pensions be reduced one-third, at the death of their successors two-thirds, and at their death entirely cease. Among these incumbents were the following :—

1. Ahamad Hussen Khan, 2. Khadar Alli Khan,	Brothers ...	Rupees 8-5-4 each.
3. Khairunnissa ... ... 4. Amirunnissa		„ 5 each.

Numbers 1 and 2 married Numbers 3 and 4, respectively. Petitioner is the son of the first pair, and Mahammadiya Begum daughter of the second pair. On the death of Numbers 2 and 4 their daughter obtained two pensions of Rupees 2-12-5 and Rupees 3-5-4 per mensem under Orders of Government, dated 13th December 1858 (number not known) and 16th June 1868, No. 1,686, respectively, and petitioner likewise obtained a reduced pension of Rupees 3-5-11 on the demise of his father under G. O., dated 13th December 1858. On the 31st July 1858 his mother died, and he now prays that her pension may be continued to him subject to a reduction of one-third according to the terms of the Order of Government, dated 20th March 1821. He says that since her death he has been from time to time applying to the Deputy Collector of Madras for the continuance of her pension ; but the records show nothing more than that the late Deputy Collector, V. Rungasawmy Iyengar, passed an order, under date 3rd August 1867, that, as no claim had been preferred by petitioner for seven or eight years, his request could not be complied with.

3. It is difficult to come to a conclusion, at this distance of time, as to whether petitioner preferred an application soon after his mother's death ; but, should the Board and Government waive the objection on account of delay, I would recommend two-thirds of his mother's pension, or Rupees 2-12-5, being continued to him.

ENCLOSURE No. 1.—Petition.

From J. HUNTER-BLAIR, Esq., Collector of Madras, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 7th August 1873, No. 178.

2. The petition enclosed is herewith returned.

Proceedings of the Madras Government, Revenue Department, 22nd October 1873.

THE present claimant, Mahomed Sadak Hussen, is the son of Ahamad Hussen Khan and Khairunnissa Bee, members of the Satamback Jaghiredar's family. His father held an allowance of Rupees 100 and his mother another of Rupees 60 per annum. These grants were for three lives, subject to a deduction of one-third on the first lapse, two-thirds on the second, and to be entirely discontinued on the death of the third incumbent. Two-thirds of his father's pensionwas continued to him in 1858 (G. O., dated 13th December, No. 1,658).

2. It appears his mother died in July 1858. He states that he claimed her pension on several occasions, but that no notice was taken until 1871, when he received copy of an endorsement of the Deputy Collector, dated 3rd August 1867 rejecting his claim on the ground that it should have been preferred seven or eight years previously. He says he made frequent application to the Deputy Collector after his mother's death and that he was always told to wait.

3. The Collector says there is nothing on record in regard to the claim except the endorsement above referred to, and that it is hard to say whether the claim was preferred shortly after the mother's death.

4. Though it is doubtful whether the claim was made previous to 1867 it is certain that it was then made and was rejected by the Deputy Collector as being too late.

5. The Board recommend that two-thirds of his mother's pension be continued to Mahomed Sadak Hussen with arrears from 1st August 1867.

No. 189. ORDER THEREON, 22nd October 1873, No. 1,143.

Miscellaneous.

SANCTION is accorded for the continuance of two-thirds of Khairunnissa Bee's pension to her son, Mahomed Sadak Hussen, with arrears from the 1st August 1867.
