

*Proceedings of the Madras Government, Revenue Department,
24th October 1873.*

No. 219. Read the following Proceedings of the Board of Revenue, dated 11th October 1873, Miscellaneous No. 6,887:—

Read the following letter from R. K. PUCKLE, Esq., Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 22nd September 1873, No. 499.

THERE is great necessity for shedding in the Custom-house yard at Tuticorin to protect the goods from the weather and afford shelter to the people constantly at work in stowing or removing the goods. The District Engineer has prepared an estimate (herewith sent), amounting to Rs. 1,630, and, as we have ample funds in hand from the saving from imperial Petty Construction and Repair, as set forth in my letter, No. 281, dated 23rd May 1873, I have the honour to request that this estimate may be sanctioned, as the work is very necessary.

2. This will involve a transfer from Salt to Customs charges in the budget for 1873-74.

SUBMITTED to Government, with the Board's recommendation that the transfer may be made, and the work sanctioned.

No. 220. ORDER THEREON, 24th October 1873, No. 1,159.

Miscellaneous.

THE proposed transfer is opposed to the orders of the Financial Department.

2. The Board of Revenue should provide for the work in the "Petty Construction and Repair" budget for 1874-75.
