No. 232. Read the following letter from the Hon. A. W. BIRCH, Colonial Secretary, Colombo, to the Hon. W. HUDLESTON, Chief Secretary to the Government of Fort St. George, dated Colombo, 17th September 1873, No. 50 :—

I AM directed by the Governor of Ceylon to transmit to you the annexed copy of a letter from the Director of the Royal Botanic Gardens, Peradeniya, and to request you to be good enough, with the permission of the Governor of Madras in Council, to furnish me with copies of the reports therein referred to.

ENCLOSURE No. 1.

From G. H. K. THWAITES, Esq., Director of the Royal Botanic Gardens, Peradeniya, to the Honourable the Colonial Secretary, Colombo, dated 8th September 1873, No. 17.

As I believe that the Madras Government receives periodically from Mr. Broughton, their Quinologist, reports on matters connected with the Cinchona plantations on the Nilgiris, I would take the liberty of requesting that that Government be moved to furnish this Government with copies of those reports for this establishment, since they must contain most valuable information for our guidance as regards the Cinchona cultivation in this island.

No. 233. ORDER THEREON, 24th October 1873, No. 1,165.

Miscellaneous.

ORDERED that a file of the reports, submitted by the Government Quinologist from the date of his arrival to the present time, be forwarded to the Government of Ceylon, with the intimation that His Excellency the Governor in Council will have much pleasure in furnishing that Government hereafter with copies of such additional reports as may from time to time be received from Mr. Broughton, and would be glad to receive in return copies of papers regarding the cultivation of Cinchonas in Ceylon.
