From

To

The Ag. Secretary to Government
Revenue Department.

Sir

With reference to Government Order R.D. 22d July 1873 No 156, I am directed respectfully to enquire whether the order has not been issued through inadvertence. The Board are not aware of any existing contract arrangements with which the request of Saravana Muthu Pillay in Petition No 982 of 1873 to have his contract for Colombo Arrack for the Madras Abkari extended for Faslies 1284-5-6 would be inconsistent. The Petitioner's alternative request that the Abkari of the town might be placed under an excise system and assigned to him from Fasli 1284 is also independent of existing

The Board are correct in supposing that
the order in favour, was issued under an
erroneous impression that Pet.r applied for
The contract for the supply of Arrack for 2 years
for a portion of which the contract had been disposed
of already. The Pet.r should be informed that
his Appn is premature and cannot be dealt
with at present.

The first believe that under existing circ

are at liberty, however, merely to inform
the Pet.r that, on general grounds, his
application is inadmissible
