No. 283. From G. BANBURY, Esq., Director of Revenue Settlement, to the Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, Ootacamund, dated Madras, 30th April 1873, No. 854-29.

In reply to G. O., dated 26th ultimo, No. 362, I have the honour to state that in the Kurnool and Cuddapah parties the entertaining extra hands has hitherto been requisite, in order to aid in preparing the necessary details for introducing the new rates, and also to carry out miscellaneous minor tasks essential to the completion of a district.

2. I have all along been endeavouring to dispense more or less with the services of these extra hands, and shall do so as opportunities occur. The main reason for keeping these employés in their present position is that, when their services are no longer needed, they can have no cause of complaint, their appointments being clearly understood to be merely "extra" and "temporary."

3. The time for which these additional hands will be required much depends upon the orders which may be passed as to the next field of work for the Cuddapah party, and, when instructions on this point are received, I will, as far as possible, make the alterations required regarding these extra employés.

No. 284. Proceedings of the Board of Revenue, dated 18th August 1873, No. 1,601.

Read G. O., dated 14th July 1873, No. 732, Revenue Department, requesting the Board of Revenue to report how applications for waste lands are to be disposed of if their recommendation to abolish the establishment for demarcating them on the Nilgiris is carried out.

The Board are of opinion that the preparation of title-deeds (the in-door work) can be done by the Commissioner's ordinary establishment without seriously increasing their labour.

2. The out-door work can be done by the Deputy-Tahsildars, Revenue Inspectors, and Monegars, as is the case elsewhere where durkhasts are far more numerous and important.

No. 285. Order thereon, 27th October 1873, No. 1,192.

Miscellaneous.

The Government are of opinion that the temporary establishment employed in demarcating waste lands on the Nilgiris need not be retained, and directs its being dispensed with from the 31st December 1873.

2. From communications received from the Director of Revenue Settlement, of which copies are enclosed, it appears that of the temporary establishment for his department some, as noted in the margin, were entertained for specified and brief periods, but that in other cases the period for which they will be required cannot be accurately calculated and is still uncertain.

Read Government Order dated 14th July 1873 No. 732 Revenue Department, requesting the Board of Revenue to report how applications for waste lands are to be disposed of, if their recommendation to abolish the Establishment for demarcating them on the Nilgiris is carried out.

The outdoor work can be done by the Deputy Tahsildars, Revenue Inspectors and Moneyars, as is the case elsewhere where Durkasts are far more numerous and important.
