PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 30th January 1873.

Read the following

No. 391.

From,

The Acting Collector of
Bilharj.

To,

The Secretary to the
Board of Revenue Madras.

Sir,

I have the honor to report on the following subject.

One Sahibjee Sahib Jahagirdar of Nethavatti in the Taluk of elur died on the 4th November 1866. The grant of the Village was for life and the Jhamdar not agreeing to pay the quit rent charged by the Jham Commissioner, the Village was resumed and incorporated with Government lands in 1866 or Fasli 1276. The Revenue realized from the Village for Fasli 1276 is Rs. 1733-10-6. It was credited in the accounts as shown below.

In Fasli 1276	1257-11-8
" 1277	411-8-5
" 1278	70-6-5
Total	1733-10-6

2. It appears that the deceased left a

a widow, a son and 4 daughters. The widow now claims the sum which should have been received by her late husband up to the date of his demise amounting to Rupees 597-2-4 and requests that it may be ^{paid} to her.

3. For the delay in applying for the same she states that she was waiting for replies from the Board and Government to whom she presented petitions for the continuance of the Inam Village.

4. This I do not think to be a valid excuse, but I beg to recommend the payment of the above sum in consideration of the impoverished state of the widow and her children.

The Jaghire Village of N. K. Ravatti was continued to Sahabjee Sahib for life only (Government Order 18th November 1857, No. 1150). As he had refused to accept the terms of enfranchisement proposed by the Inam Commission the grant was resumed on his death on 4th November 1866. The whole of the revenue of the Village for Fasli 1276 (Rs 1,733-10-6) was credited

credited to Government. Of this sum Rupees 597-2-4 which accrued during Sahabjee's life time was payable to his heirs. Until recently the widow neglected to apply for payment. The reason assigned for the delay is that she was waiting for orders in regard to her application for the continuance of the grant. The Collector regards this excuse as invalid but in consideration of the impoverished state of the widow and children he recommends that payment of the amount be sanctioned. The Board support this recommendation.
