Dated 27th November 187,3.

No. 440.

From The Sub Collector
Tanjore

To The Collector of
Tanjore.

SIR,

In reply to your letter No. 249 dated 18th Ultimo, I have the honor to inform you that the Tahsildar of Kannilum- estimates the old materials of the Taluq Cutcherry at Peralam at Rupees 415 and suggests that it would not be any advantage to sell the building by auction or to pull it down and dispose of the ma- terials. This last course would cost Rs. 265, and the Tahsildar thinks that the whole building will fetch only Rs. 150.

I

It seems there is only one person offering, to buy the building for Rs. 300, because it is close to a pagoda under his management. The Tahsildar says this is a fair price for the building and I think it may be disposed of as suggested by him.

No. 396.

Submitted for the orders of the Board with the recommendation that the building above referred to be sold for Rs. 300, as proposed by the Sub Collector.

The building was used as a Taluq Cutcherry when Peralam was formerly the Cusbah Station of a Taluq. It is not wanted for any Government purpose and must daily become more and more dilapidated.

Tanjore Collector's Office
Vallam 14th November 1873

(Sgd.) D. Arbuthnott
Collector.

Submitted for the orders of Government. The Board think the building should be sold for Rupees 300.
