To

The Acting Collector;
Ganjam

Sir,

I have the honor to state that of late I have been troubled with some ailment or other every now and then and find my self unable to work as hard as I have been accustomed to and therefore propose according to the advice of the Medical Officer to go to Madras and other places for change of air for a short time. Consequently I request that you will be so good as to obtain for me 3 months privilege leave. Since my return from Madras about the middle of August 1869 I have not had any kind of leave whatever except Casual leave.

2 I have no intention of retiring from service or of applying for leave on private affairs or on furlough before the expiration of 3 months from the date of my return to duty from leave

I have &c
