*Proceedings of the Madras Government, Revenue Department,
30th October 1873.*

No. 317. Read the following letter from the Officiating Secretary to the Chief Commissioner of Mysore, to the Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, Fort St. George, dated Bangalore, 15th October 1873, No. 3,854-32 :—

IN continuation of this office letter, No. 3,472-30, of the 26th September 1873, I am directed to state, for the information of His Excellency the Governor in Council, that the suspicions of the local officers of this State have been aroused by the action of Sholigars, who are alleged to have been lately cutting new marks on rocks near the line of boundary which is in dispute between the Yellundore Jaghire and the Collectorate of Coimbatore.

2. Mr. Wedderburn, who has been addressed on the subject, states that a local inquiry has been ordered. From his description of these marks as "chance marks," it would appear he does not take the same grave view of the proceedings of the Sholigars as do the local officers of this Government.

3. The circumstances now brought to notice however point to the desirableness of early action, with a view to a settlement of the boundary-dispute in question.

No. 318. ORDER THEREON, 30th October 1873, No. 1,210.

Miscellaneous.

ORDERED that the following letter
