Proceedings of the Madras Government, Revenue Department,
31st October 1873.

No. 339. Read the following letter from Major R. H. BEDDOME, Inspector of Forests, to the Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, dated Ootacamund, 3rd October 1873, No. 1,922 :—

I HAVE the honour to inform you that the Flora Sylvatica for Southern India is now completed, the last No. (XXVIII.) and the Index, etc., being in the publisher's hands. The greater portion of the proofs have been corrected, and I believe that it will be issued before the 1st of November 1873.

2. After the publication of the first two parts, the Bengal Government determined to take 100 copies, and it became evident that the 250 copies at first published would be insufficient, so 300 of No. 3 and the subsequent parts were struck off, and I have now published a second and revised edition of the first two numbers; this will cost somewhat over 300 Rupees, and I request that the Accountant-General may be authorized to pass bills for the same.

No. 340. ORDER THEREON, 31st October 1873, No. 1,221.

Miscellaneous.

THE issue of a revised edition of Parts I. and II. of the Flora Sylvatica is approved, and the necessary expenditure sanctioned.
