Read the following:—

No. 24. Proceedings of the Board of Revenue, dated 9th July 1873, Miscellaneous No. 4,238.

READ statement of remuneration in land or otherwise proposed to be given to Inamdars in lieu of their Inams, which have become unprofitable from causes beyond their control in the district of Bellary, dated 9th June 1873.

SUBMITTED for the sanction of Government.

2. In lieu of acres 32·23$\frac{1}{8}$, assessed at Rs. 18-2-0, Inam land in the village of Moka, of the Bellary Taluq, rendered unprofitable from causes beyond the Inamdar's control, it is proposed to grant a fresh assignment of acres 9·38$\frac{29}{32}$, assessed at Rs. 12-14-0.

3. The full extent of the Inam field, No. 176, which cannot be cultivated by the Inamdar, and for which compensation is recommended, should have been entered in column 8, and not merely the part ruined by the river.

No. 25. Proceedings of the Board of Revenue, dated 11th October 1873, Miscellaneous No. 6,894.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Bellary, 26th September 1873, No. 328.

IN reply to the Board's Proceedings, dated the 12th ultimo, Miscellaneous No. 5,075, communicating an official memorandum from the Government Secretary, Revenue Department, No. 143, dated the 30th July last, I have the honour to report as follows:—

2. The Taliari Service Inam of the village of Moka, in the Bellary Taluq, consists of about—

	Acres	Assessment. Rs.
Dry	428·39	365
Wet	22·46	105
	450·85	470

Of this, about acres 106, assessed at Rs. 108-8-0, are utterly uncultivable; the remainder, therefore, 346·85, assessment Rs. 361-8-0, is now in the enjoyment of the taliaries, of whom there are sixteen Merassidars.

3. The work is performed in rotation, each batch consisting of six taliaries, the remaining Merassidars rendering their services occasionally whenever required; so that it will be seen that the batch actually doing duty has an Inam amounting to about Rs. 136. They get besides Rs. 120-8-0 on account of fees in kind; their total emoluments amounting to Rs. 256-8-0. From this, if Rs. 14, being the Jodi, and Rs. 29-7-2, the Road Fund payable on the Inam, be deducted, there then remains Rs. 213-12-0, which, when divided amongst the doing-duty men, gives each about Rs. 35-10-0 per annum.

Proceedings of the Madras Government, Revenue Department,
8th November 1873.

4. The beriz of the village is Rs. 4,589, and the population amounts to 2,573.

5. This is not the only instance of Taliari or Kavali Inams being of such an enormous extent.

SUBMITTED for the information of Government, with reference to official memorandum, 30th July 1873, No. 143.

2. The Board believe that Service Inams of such size are not uncommon in Bellary.

No. 26. ORDER THEREON, 8th November 1873, No. 1,242.

Miscellaneous.

SANCTION is accordingly granted for the assignment of acres 9·38$\frac{29}{32}$, assessed at Rs. 12-14-0, with reduction of Jodi by Rs. 5-4-0, in lieu of acres 32·23$\frac{1}{8}$, assessed at Rs. 18-2-0, Taliari Service Inam, rendered unfit for cultivation.
